5. When the payment status update?

Please note that your payment status will not be changed immediately on the paying day.

Payment processing may take 1 to 4 business days. Generally speaking, according to the way that you pay the tuition:

- (1) Via ATM, interbank transfers, post offices: paying day+1~2 business days.
- (2) Via convenience stores: paying day+2~3 business days.
- (3) By credit cards: credit card authorization day+3~4 business days.

If you' d like to obtain the latest payment status you may visit the same website page and click "Bank Service" to link to the CTBC Bank website.

6. After your payment status changed to "The account has been written off" or "Paid", then you can click "print the proof of payment" to print your payment certificate.

7. If you want to print other academic year payment certificates, you can click the button "Please click here to print payment receipts of other semesters."
